A welcoming rocking chair front porch at this stately Woodcreek home, is looking for a new family for the rockers. This wonderful house has the sought after cozy master on main, with a private balcony overlooking the wooded backyard. The upper level boasts three bedrooms, two full baths (one is a jack and jill), and a quaint loft area. There is abundant living space between the bright eat-in kitchen that opens to the warm two story family room, and flows into the well-lit sunroom with double doors. There is also an enormous 2100 square foot unfinished basement. The possibilities are endless!
