This Former MODEL HOME is a must see! Only lived in for 4 months..looks and feels brand new! Very open floor plan, so much charm. Builder upgrades include wrought iron railings, rubbed bronze finishes, Tray ceilings in master bedroom. Large master bath has dual sinks and large soaking tub. Nice upstairs loft area makes way to 2 more large bedrooms and full guest bath. Great location, super close to interstate but feels like country living. Enjoy the view from your covered back patio.
