This is a unique opportunity to own a Ranch Home on a Finished Basement, resting on over 3 acres of land in Northgate HS district and only minutes to I-85. The main level of the home is 3BR/2BA and has a great flow. From the kitchen you can walk out to the Covered Screened in porch that overlooks the Private Backyard and has steps down to a Lower Level Deck as well. The Basement has 4 Finished Rooms and also has a Bonus Storage Room underneath the front porch. The owner has carved trails on the back lot which leads down to a quaint Fire area and Banks of Shoal Creek. Homes like this do not hit the market often so schedule your appointment with the listing Agent or your buyer's Agent today!
