Rarely will you find a home this well maintained in such close proximity to downtown Newnan. This home features beautiful hardwood floors throughout, an upgraded kitchen with granite countertops and stainless steel appliances, large baseboards and crown molding throughout, and tons of natural light from the large windows. There is also a full, unfinished basement for plenty of storage. Outside features a covered front porch, large, open synthetic deck, a fire pit area with chipped slate, and a large dog pen. This home has everything and will surely go quickly.
