Live in the middle of Atlanta history...this eclectic modern home sits right on a civil war site! The past blends with casual elegance on 3 convenient levels. Master bedroom boasts building wide deck with city skyline view. Newly refinished hardwoods, new carpet and paint for immediate easy move-in. Keeping room kitchen with fireplace and deck for cook outs!! Third deck off bright and open living/dining open floor plan. 4th bedroom downstairs offers options for nanny suite, office or separate work-out suite.
