This is the largest ranch floor plan in the neighborhood. You're greeted with 9 feet ceilings and an entry hallway that leads into the open concept living/dining/kitchen area. The large island provides the perfect spot for cooking and enjoying meals. There is a large pantry and laundry room adjacent to the kitchen. The owner's suite has a large walk-in closet and walk-in shower. The other 3 bedrooms with generous closets are located near a spacious bathroom. Kitchen and baths all have granite counters. This is a very desirable floor plan with all 4 bedrooms on 1 level.
