Beautifully renovated home in Walton school district! This 3 bedroom 2.5 bathroom has it all - updated bathrooms and kitchen, new paint throughout, new carpet, flooring and stainless appliances. You will feel right at home when you walk in to this beautiful space settled on a large peaceful lot on a quiet neighborhood street. The bright eat-in kitchen has a built-in bench for cozy seating, updated lighting, open shelving and a keeping room off the kitchen perfect for entertaining. The separate laundry room doubles as a mud room off the garage with a drop zone for backpacks and shoes. This home has plenty of storage space, including a large storage room attached to the garage. All bedrooms are on the same level upstairs. The over sized master suite is an oasis with a spacious walk-in shower with frameless glass and a separate toilet room. The backyard is large and private with two patios and plenty of space to entertain and enjoy shaded Georgia evenings.
