Meticulously maintained, this property has been the family home for 15 years and has seen loads of loving care and upgrades. It has upgraded double pane windows and newer roof. Interior has seen addition of extra half bath, a full laundry room with sink, an entry foyer and extra closets. Everything shows pride of ownership. Outside shows the same. The enlarged deck is perfect for entertaining and the fenced yard guarantees privacy. For gardeners.....there is even a greenhouse and rainwater collecting system.
